Special Invitation to the SCA Annual Meeting

The Offices, Board of Directors and Members of the Sugarloaf Citizens' Association issue this special invitation to our Newsletter readers to attend our Annual Meeting to be held April 17, 2010 starting at 9:30 a.m. and ending around noon at the Gothic Barn located at 20900 Martinsburg Road, Dickerson, Maryland. We have an exciting program this year including a talk by Royce Hanson, outgoing Chair of the Montgomery County Planning Board.

We will also hear presentations from youth recipients of our Piedmont Environmental awards program, and reports from SCA officers. There will be an opportunity for your participation in a public round table to help SCA establish its future agenda and to hear issues that may be percolating in our upper Montgomery County and southern Frederick County communities.

The election of officers and board members will be held at the annual meeting. Voting is reserved for members in good standing as of March 17, 2010. The following is the slate of officers and board members for 2010-2011.

President:	Anne Sturm
Vice President:	Anne Cinque
Treasurer:	Chris Kendrick
Secretary:	Betsy Lyman

Board Members: Anne Cinque, Anne Sturm, Betsy Lyman, Carol Oberdorfer, Chris Kendrick, Dolores Milmoie, Ellen Gordon, Eric Cronquist, Gary Valen, Gil Rocha, Jane Hunter, Jay Cinque, Jim Brown, Jim Evans, Julia Bellet, Libby Lawbaugh, Linda Pepe, Richard Hill, Tina Brown

Your attendance at the meeting will provide an opportunity to walk around Linden Barn, a restored classic dairy farm from the last century. The Gothic Barn is a converted dairy facility that preserves some of the architectural features but also provides an excellent meeting facility.

Please attend the meeting and get to know more about the Sugarloaf Citizens' Association, the effort to preserve the agriculture legacy of the Agriculture Reserve in Montgomery County and the farm land in Frederick County, and the people who volunteer as stewards of our rural heritage.
